Subject: Approval of Costs for Soil Sampling at the White Property

Hi Gerry,

On June 13, 2016, I received the *Opinion of Probable Costs – Soil Sampling White Property* from Ayres Associates outlining the costs associated with the scope of work for the two confirmation soil samples. The Department approves the funding for the estimated total cost of \$770.00. The County will need to submit a direct final invoice to me for those costs incurred, then the Department will directly pay the County as requested. If you have any questions, please let me know.

Thanks,

We are committed to service excellence.
