Subject: DERF Remedial Action Proposal Selection

Hi Don,

It was nice discussing the remedial action bids with you guys today. The following link is to the form that will need to be filled out for your selection of the remedial action proposal:

<https://dnr.wi.gov/files/PDF/forms/4400/4400-212.pdf>. If the low bid is not selected, you will need to provide your justification as to why you selected a higher bid proposal. Based on our call, my understanding is you will be providing Keld and I a letter to review regarding your selection near the end of the week. Since Keld will be back from vacation on Monday, I will discuss the bids with him to make sure he, as the DNR Project Manager for this case, agrees with the proposed remedy. He and/or I will follow up with you once we have reviewed your letter.

Regards,

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
