Dear Lee Amundson:

The Wisconsin Department of Natural Resources (DNR) is informing you that the project management for your site has been transferred. Please send all future correspondence to:

WDNR Green Bay Service Center
Attn: Alex Edler
2984 Shawano Avenue
Green Bay, WI 54313-6727

Recent changes have occurred with the Petroleum Environmental Cleanup Fund Award (PECFA) program, that in some cases, depending on eligibility, requires little to no out of pocket costs to the Responsible Party. I would like the opportunity to discuss those options with you in an effort to complete the cleanup at your property.

Please contact me in the next **30 days** to provide a status update on the cleanup of your property. If you have questions regarding this letter, please feel free to contact me by phone at (920) 662-5149, or via email at alex.edler@wisconsin.gov.

Sincerely,

Alex R. Edler
