SUBJECT: Response to 2020 Potable Well Sampling Program Summary Report
JCI/Tyco FTC PFAS, 2700 Industrial Parkway South, Marinette, WI
BRRTS #02-38-580694

Dear Mr. Danko and Mr. Wahl:

On June 15, 2020, the Wisconsin Department of Natural Resources (DNR) received the Potable Well Sampling Program Summary Report (2020 PW Summary Report) for the above-referenced site. The report was submitted by Arcadis U.S., Inc. (Arcadis) on behalf of Johnson Controls, Inc. and Tyco Fire Products LP (JCI/Tyco) and was accompanied by the appropriate fee of \$425 required under Wisconsin Administrative Code (Wis. Adm. Code) § NR 749.04(1), for formal DNR review and response.

The DNR reviewed the report and issued a letter to JCI/Tyco on June 18, 2021 with directions for future PW Summary Reports. The introduction on the DNR's June 2021 letter was focused on the Long-Term Potable Well Sampling Plan; however, it should have also stated that the letter also included the DNR's review comments to the 2020 PW Summary Report. This letter is provided to JCI/Tyco to document that the DNR's review of 2020 PW Summary Report is complete.

Sincerely,

Alyssa Sellwood, PE
Complex Sites Project Manager
Remediation & Redevelopment Program
