Subject: Wisconsin Industries Pension Plan & Trust (02-41-263675) - Soil Data for East Block

Hi Robert,

This is a reminder to you to please send in the soil data for the east block at your earliest convenience today—the sooner the better. Given the timeline that your client requires for this project, receiving this data as soon as possible is essential to an expedited DNR review of the RAP that was submitted 03/17/21 with a fee.

Thank you,

Jane
