Dear Mr. Graham:

RE: *Draft Final Remedial Action Design Report - C Street Slip*

The *Draft Final Remedial Action Design Report - C Street Slip (RAD)* has been prepared by Foth Infrastructure & Environment LLC (Foth) and is herewith submitted to Wisconsin Department of Natural Resources (WDNR) and U.S. Environmental Protection Agency (USEPA) on behalf of Superior Water, Light & Power, (SWL&P).

WDNR and USEPA provided comments on the 60% *RAD*, which was submitted to them on September 24, 2024 and have been participating in bi-weekly comment resolution meetings and discussions with SWL&P since comments were received in November 2024. SWL&P is providing responses to those comments with the submittal of this *Draft Final RAD*.

For clarity of organization, the *Draft Final RAD* submittal is made up of the following documents and attachments:

- ◆ *Draft Final Remedial Action Design Report*
- ◆ Appendix A - Sediment Investigation Results
- ◆ Appendix B - Design Calculations
- ◆ Appendix C - Construction Quality Assurance Plan – C Street Slip
- ◆ Appendix D - Specifications
- ◆ Appendix E - Permit Application
- ◆ Appendix F - Schedule
- ◆ Appendix G - BCOES Review
- ◆ Appendix H - Risk Register
- ◆ Appendix I - Cost Estimate
- ◆ C Street 60% Design Government Comment Responses
