Hi Matt. This work was done for a potential property transaction. Lisa heard sampling was completed and reached out to us for the data. This site is not a 3M site, last I was aware it was owned by Wauleco, and likely does not have a BRRTS number.

I hope this helps to clear it up a little for you. Please let me know if you have additional questions.

Best Regards,  
Jennine

Jennine-

Hello, I took over the Wauleco project from Lisa Gutknecht and was hoping to get more information about the email below. I am wondering if there is a larger report that the attachment is a part of and who/why the work was completed. Unfortunately there is no information in the file other than the email I found with attachment.

Any help is appreciated,

Lisa and Bob,

Please find attached for your reference the analytical data and site maps for the Wauleco property investigation conducted by ARCADIS in April 2008. The Wauleco property is located at 104 Rosecrans Street in Wausau, Wisconsin, adjacent to the 3M facility located at 144 Rosecrans Street. If you should have any questions or require any additional information, please contact us. Thanks.

Jennine
