Under §101.143(4)(ee), Stats., when the deductible is waived, the department is required to file a statement of lien for the amount of the deductible with the register of deeds in the county where the storage system is located.

The deductible amount waived by the department is Two Thousand Five Hundred dollars (\$2,500), plus 5% of the eligible costs submitted by the owners for PECFA reimbursement. The property remains subject to this lien until the deductible is paid in full to the Department. No interest is recoverable on this lien.

The department makes and files this claim for the interest held by the Owner in this property under §101.143(4)(ee), Stats. The department certifies that to the best of its knowledge and belief, all information contained in this Notice of Lien is correct, and this lien represents a legal encumbrance upon the property. Based on the above information, the department claims a lien on all the interest, which the Owner has in the above-described property.
