The Department of Natural Resources (department) has incurred expenses for investigation and mitigation of chlorinated volatile organic compound contamination associated with the property. The amount of these expenses, totaling \$8051.90, constitutes a superior lien on the property as described in Wis. Stats. § 292.81(3). The property remains subject to this superior lien until these costs are paid in full to the department. No interest is recoverable on this superior lien.

The department makes and files this claim for the legal interest held by the Owner(s) in this property under Wis. Stats. § 292.81(3). The department certifies that to the best of its knowledge and belief, all information contained in this Notice of Lien is correct, and this superior lien represents a legal encumbrance upon the property. Based on the above information, the department claims a superior lien on all the legal interest, which the Owner(s) have in the above-described property.
