STATE OF WISCONSIN COUNTY OF DANE

Tim Panzer, being first duly sworn, on oath deposes and says:

- 1. That he is an employee of the Wisconsin Department of Natural Resources and has personal knowledge of the accuracy of the facts set forth in this notice.
- 2. That this notice of lien is being recorded for the purpose of perfecting a lien on the above-described property under section 292.81, Wisconsin Statutes. The property remains subject to this lien until this lien is satisfied. This lien is superior to all other liens that are or have been filed against the property, except that if the property is residential property, as defined in s. 895.52 (1) (i), Wis. Stats., the lien does not affect any valid prior lien, as defined in s. 292.81 (1), Wis. Stats., on that residential property.
- 3. The Wisconsin Department of Natural Resources has incurred expenses exceeding \$500,000 to investigate and remediate hazardous substances on

property owned by Penta Wood Products Inc., a corporation that was administratively dissolved in 1995. The properties subject to this lien are located in the Town of Daniels, Burnett County, Wisconsin:

4. The Department certifies that to the best of its knowledge and belief, all information contained in this Lien is correct, and this lien represents a legal encumbrance upon the property. Based on the above information and the authority of s. 292.81 (3), Wis. Stats., the Department claims a lien against the interest which the owners have in the above-described property in the amount of \$500,000.
