Under the authority of s. 292.11(7) (a), Wis. Stats. the Department of Natural Resources (" the Department") has expended funds to investigate hazardous substances on property owned by Leonard J. Shilobrit. Leonard J. Shilobrit is owner of the following property:

The North Seventy-two (72) feet of the East One Hundred Sixty-seven (167) feet of that part of Lot Two (2) in J. H. Pecham's Addition, in the Second Ward, City of Neenah, lying South of the North Three (3) acres of said Lot and West of the West line of South Commercial Street.

Under s. 292.81 (3), Wis. Stats., when the Department expends funds to investigate hazardous substance contamination, the Department may file a lien for the amount expended for such purposes with the Register of Deeds in the county where the contaminated property is located.

The amount expended by the Department in this case is eight thousand six hundred and twenty seven dollars and no cents, (\$8,627.00). The property remains subject to this lien until the amount owed is paid in full. This lien is superior to all other liens that are or have been filed against the property, except that if the property is residential property, as defined in s. 895.52 (1) (i), Wis. Stats., the lien does not affect any valid prior lien, as defined in s. 292.81 (1), Wis. Stats., on that residential property.

The Department certifies that to the best of its knowledge and belief, all information contained in this Lien is correct, and this lien represents a legal encumbrance upon the property. Based on the above information and the authority of s. 292.81 (3), Wis. Stats., the Department claims a lien against the interest which the owners have in the above-described property in the amount of \$8,627.00.
