Mississippi River Commercial Fisheries Monthly Report Information Sheet
Form 3600-029A (R 10/2025)

Mississippi River Commercial Fisheries Monthly Report Information Sheet

Notice: Under §§ 29.523 and 29.533, Wis. Stats., and §§ NR 21.11(1) (i), and NR 22.11(10), Wis. Adm. Code, you are required to file a monthly report with the Department of Natural Resources (DNR) if you are licensed to use any of the types of gear covered by these reports, whether or not fishing operations were carried on during the month. Monthly reporting is required whether or not the fish caught are kept for personal use or sold. Failure to report may be prosecuted as a Class I felony. Personal information collected will be used for administrative purposes and may be provided to requesters to the extent required by Wisconsin's Public Records Law [§§. 19.31-19.39, Wis. Stats.].

Form Selection - For all licensed fishers

Commercial Fishing Report: This form is to report commercial fishing activity for individuals licensed to use any and all legal gear types including setline. Use a separate form for each gear used during the month **(Form 3600-029B).**

Monthly Report of No Fishing: This form is to report when no fishing operations were carried on during the month. One form may be used to report all gear types licensed for, but not used during the month. You may submit Monthly Reports of No Fishing for multiple months in advance **(Form 3600-029D)**.

Additional forms are available online at: dnr.wi.gov/topic/fishing/permits/#mississippinet

Due Date: All licensed fishers must submit reports, postmarked by the 10th of each month, to report activities for the previous month. Contact your local Conservation Warden, Fisheries Biologist or the general information line if you have any questions. 1-888-936-7463 - General questions seven days a week.

Notify your local biologist or warden if you will be holding **fish**.
