# Never Put These Items in Recycling Bins

## Tanglers

Loose plastic bags, light strings, rope, hoses and clothes/towels wrap around equipment.

## Batteries and electronics

Rechargeable batteries can spark or get crushed by equipment and start a fire.

## Sharps

Needles, lancets and syringes can hurt workers.

## Propane cylinders

The gas is an explosion and fire risk in equipment.

*Many of these items can be recycled at drop-off locations around the state.*

The Wisconsin Department of Natural Resources provides equal opportunity in its employment, programs, services, and functions under an Affirmative Action Plan. If you have any questions, please write to Equal Opportunity Office, Department of Interior, Washington, D.C. 20240. This publication is available in alternative format (large print, Braille, audio tape. etc.) upon request. Please call (608) 266-2111 for more information.
