

Before you ignite,  
check air and waste regulations and ask:

# Can I burn?

Go to [dnr.wi.gov](http://dnr.wi.gov), search “can I burn?”  
to access the interactive tool

## Planning a burn?

Access the Can I burn? tool to check if your burn would be in compliance with state air and waste regulations.

If you can burn: proceed with determining if you need a burn permit for wildfire safety. If the burn will be in an incorporated municipality, check locally. If the burn will not be in an incorporated municipality, go to [dnr.wi.gov](http://dnr.wi.gov), search “burn permit.”

If you can not burn: explore the alternatives found at [dnr.wi.gov](http://dnr.wi.gov), search “burn.”
