SOURCE: Unknown

STATUS: Contamination was caused by someone disposing of asbestos pipe insulation in the ditch of High Cliff Road in Sherwood, WI.

WASTE GENERATED: 1 cubic yard of asbestos

INCIDENT NARRATIVE

On January 9th, 2001 at approximately 4:10 pm Superior Special Services, Inc. (Superior) received a phone call in regards to suspected asbestos pipe insulation in the ditch on right side of High Cliff Road going south in Sherwood, WI. Superior was notified to respond, provide site cleanup, and dispose of the asbestos.

Superior arrived on site at approximately 5:45 pm. Photo documentation did not process due to the night time conditions Superior donned the appropriate personal protective equipment to cleanup the asbestos from the ditch. Superior placed the contaminants into asbestos marked bags. The bags were later placed into a drum and transported to Superior's Hickory Meadows landfill for appropriate disposal. This concludes our activities in regard to this response.

All information has been submitted with good intent and is accurate to the best of my knowledge.
