Attachments: Scanned from a Xerox Multifunction Printer.pdf

Good Morning Carrie,

Attached please find the signed Access Agreement for the two (2) properties owned by David Van De Weerd at 216 and 226 South Tomahawk Avenue. The owner agreed to the monitoring well, pending he agrees to the advancement location. Additionally, he did not permit us to advance the sub-slab vapor points unless there is a agreed upon location within the building, as described within the agreement.

I guess we will have to meet him there on the day we do the field work for approval and to see if we can agree on the vapor points.

Let me know if you have any questions.

Thanks.

Travis J. Manser

ACCESS AGREEMENT

I, David Van De Weerd / Joy Van De Weerd hereby give permission to the Endpoint Solutions Corp. and its employees, duly authorized representatives, agents and contractors, to enter upon and have access at reasonable times to the property located at 226 South Tomahawk Avenue, Tomahawk, Wisconsin, and that is owned by David Van De Weerd / Joy Van De Weerd.

The property is located at 226 South Tomahawk Avenue, City of Tomahawk, Lincoln County, Wisconsin. The access permission is for the following purposes:

that Endpoint Solutions Corp. may install and sample one (1) sub-slab vapor point in the lowest level of the property building and collect a sample for volatile organic compounds (VOCs). This permission allows Endpoint Solutions Corp. or its authorized representative to:

(1) Install and maintain one (1) sub-slab vapor sample point.
(2) Collect up to four (4) separate soil-gas samples from the sample point over the course of a year.
(3) Properly abandon the vapor sample point when no longer needed.

The permission that is granted shall remain in effect for one (1) calendar year from the date of authorization. If an extension is necessary to complete the work, Endpoint Solutions Corp. will inform you in writing.

The property owner agrees not to damage or interfere with the use of the groundwater monitoring well installed as permitted herein.

Have NOT agreeded to the sub slab sample point, will allow if we can Find a location that works for the owners! Per the stone location

David Van De W

ACCESS AGREEMENT

I, David Van De Weerd / Joy Van De Weerd hereby give permission to the Endpoint Solutions Corp. and its employees, duly authorized representatives, agents and contractors, to enter upon and have access at reasonable times to the property located at 216 South Tomahawk Avenue, Tomahawk, Wisconsin, and that is owned by David Van De Weerd / Joy Van De Weerd.

The property is located at 216 South Tomahawk Avenue, City of Tomahawk, Lincoln County, Wisconsin. The access permission is for the following purposes:

that Endpoint Solutions Corp. may install and sample one (1) groundwater monitoring well for the presence of petroleum volatile organic compounds and naphthalene (PVOC + N) located in groundwater, associated with the plume of contamination emanating from the adjoining property to the south at 224 South Tomahawk Avenue. Additionally, one (1) sub-slab vapor sample point will be installed and sampled in the lowest level of the property building and sampled for volatile organic compounds (VOCs). This permission allows Endpoint Solutions Corp. or its authorized representative to:

(1) Install and maintain one (1) groundwater monitoring well.
(2) Collect up to four (4) separate groundwater samples from the monitoring well over the course of a year.
(3) Install and maintain one (1) sub-slab vapor sample point.
(4) Collect up to four (4) separate soil-gas samples from the sample point over the course of a year.
(5) Properly abandon the groundwater monitoring well and vapor sample point when no longer needed.

The permission that is granted shall remain in effect for one (1) calendar year from the date of authorization. If an extension is necessary to complete the work, Endpoint Solutions Corp. will inform you in writing.

The property owner agrees not to damage or interfere with the use of the groundwater monitoring well installed as permitted herein.
