Sara,

Thanks for the update. EPA and WDNR approve of your path forward with the 1st asphalt layer. Please keep us apprised of your progress moving forward.

Thanks, Scott

Subject: Kreher Park Boat Landing Parking Lot Improvements

Hi All -

Attached you will find the memo and bid tab relating to the Kreher Park Boat Landing Parking Lot Improvements Project that is on the City Council Agenda tonight. City staff is recommending awarding the contract to Northern Interstate Construction, Inc (NIC)for the paving of the parking lot and thoroughfare on the former superfund site.

Per the bid documents and Addendum #2, NIC is expecting to mobilize by the end of the month and asphalt (1 layer) by 12/31/21.

If you have any questions, please feel free to contact me.

Thank you

Sara

Hi All -

Please see the memo about the award of contract to Northern Interstate Construction for the Kreher Park Boat Landing Parking Lot Improvements. I will send a copy to NIC, Xcel Energy, AMI and Scott Stegmann.

I will also make copies for the council members to have at their seats.

Denise – can you please distribute to council?

Thank you

Sara
