Dear Matt:

RE: Chilton Metal Products - Old Gas UST RI
NR 141 Forms

Enclosed are the boring log forms and well construction forms for the Chilton Metal Products LUST site.

Also included are the well development forms for wells, S-19, S-20A, S-20B, and S-21. We have no development forms for wells S-1, S-2, S-3, S-4, S-5, S-9, S-10, S-11, and S-15, since all of these wells contained product, and were not, therefore, developed. I am still pulling together the logs for development information for wells S-6, S-7, S-8, S-12, S-13, S-14, S-17, S--17P, and S-17PP. I will deliver these remaining development forms to you tomorrow.

I am sending copies of all these to the DNR headquarters in Madison, also.

Please call if you have any questions.

Sincerely:
