RE: **Final Closure**

Commerce # 53205-2409-54 WDNR BRRTS # 03-41-003251
Super America Station #820, 1454 North 27th Street, Milwaukee

Two 12,000-gallon and one 6,000-gallon unleaded gasoline underground storage tanks (UST) removed in 1993

Dear Mr. Olasin,

The Wisconsin Department of Commerce (Commerce) PECFA Site Review Section has received all the items required for final closure of the above-referenced site. Therefore, this site is now listed as "closed" on the Commerce database.

Please be advised, in reference to PECFA reimbursement (if applicable), that no further action was indicated in the conditional closure letter dated October 9, 2000. As per the 2001 Budget Bill language, if the site achieved a "no further remedial action" status before August 31, 2001 and the final PECFA claim is submitted more than 120 days after August 31, 2001, interest costs incurred after January 2, 2002 are ineligible.

In addition, it is in your best interest to keep all documentation related to the investigation and remediation of your site. This information may be needed for future property transactions.

Thank you for your efforts in protecting Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (414) 220-5403.

Sincerely,

Lee R Delcore
