SUBJECT: End of Environmental Testing in Neighborhood by DNR
DNR Site Name: Reedsburg Cleaners, 349 E Main St, Reedsburg, Wisconsin DNR BRRTS ID # 02-57-001682

Dear Jamie:

The purpose of this letter is to provide notice that the Wisconsin Department of Natural Resources (DNR) completed the effort to investigate the potential for vapor intrusion in the neighborhood of the former Reedsburg Cleaners at 349 East Main Street, Reedsburg, Wisconsin (the "Site"). The effort was initiated in April 2023. Investigation results from your property were provided to you as received. A *Site Investigation Status Report*, dated June 19, 2024 and written by DNR's environmental consultant, Bay West, includes details of DNR's environmental testing in the neighborhood (the "Report").

The Site remains open with additional requirements for the responsible party. Site-related information, including the Report, and DNR contacts can be found online in the Bureau for Remediation and Redevelopment Tracking System (BRRTS) on the Web (BOTW); go to dnr.wi.gov and search "BOTW." Use the BRRTS ID # found at the top of this letter.

Thank you for your participation in this environmental testing effort. If you have any questions regarding this Site, please contact DNR project manager Jeff Ackerman at (608) 219-2302 or Jeffrey.Ackerman@wisconsin.gov.
