CONDITION REPORT TO JUSTIFY SECTION 2

Dear Mr. Lacenski LMD

We have a large number of residents that live on and off the lake that come out fishing after the supper hour. A large number of these people stay on the water until late evening. These people anchor their boats while fishing and we feel that uncontrolled speed presents a hazard to all boaters. We also feel that the health, safety and welfare of all of the people using the lakes at the time is being protected.

Thank you for your contribution and help in this matter.

Sincerely,

Alvin Bartz/Chairman

Belle Plaine Town Board
