

Pier Lake Boat Rules - revised August 3, 1980

1. Water skiing is only permitted from 1:00PM to 3:00PM
2. While water skiing, boat must remain on far side of lake using a figure eight pattern, remaining at least 100 feet from any dock or raft while at high speeds.
3. During non skiing hours, when there are fishermen on the lake or when it is dark, speed of boat must be kept at one third (approximately six miles per hour).
4. At no time may boat run at high speed within 100 feet of any dock, raft, or boat in water.
5. Boating priveleges will be taken away from anyone disobeying above rules or operating the boat in a negligent manner.
6. When a complaint or reasonable request not to water ski, is made by a neighbor, use of the boat is to discontinue until the matter has been resolved.
7. Power boat is only to be operated under the supervision of Lee Andreas Sr. or Jr.

Above rules were changed and approved at meeting of Pier Lake residents on August 3, 1980.
