The Town Board of the Town of
Burlington, Racine County, Wisconsin
does hereby amend Section 11.12.020
of the Code of General Ordinances of
the Town of Burlington, Racine County,
Wisconsin as follows:

Introduced and adopted this 8th day
of November, 2018 by the Town
Board of the Town of Burlington, Racine
County, Wisconsin.

- A. No more than two persons shall be towed behind any one motor boat.
- B. Any boat engaged in towing a person on water skis, aquaplane or similar device must conform to all sections of this title and, in addition, must operate in a counter-clockwise pattern. There shall be no water skiing, aquaplaning or similar sport in the shore zone.
- C. Any boat engaged in towing a person on water skis, aquaplane or similar device on Browns Lake must also have a competent observer, in addition to the driver, to be present at all times during the activity. The obligation to have a second party observer in the boat is applicable even in situations when and if the boat is equipped with a large rearview mirror. The Town does not believe that the driver of a boat towing other parties can adequately and safely observe both the rearview mirror at the same time while operating the moving boat on traffic waters. Therefore, this ordinance is more restrictive than State statute.
- D. No water skiing, aquaplaning or similar sport shall be permitted on the
