Subject: Bullhead Lake Management Plan Approval

Dear Ronald:

This letter is to notify the Bullhead Lake Advancement Association that the Bullhead Lake Comprehensive Management Plan, dated January 2019 meets the criteria of NR 191.45 and thus has been approved by the Wisconsin DNR. Management activities identified in the plan are considered eligible for grant funding under Chapter NR 190, NR 191, and NR 198, subject to the application requirements of those grant programs.

Furthermore, the Department must certify that all proposed projects recommended in an approved plan comply with the provisions of the Wisconsin Environmental Policy Act (WEPA). This certification could involve additional public informational meetings or other environmental assessment action. Please be aware that some activities may require a permit.

It has been a pleasure to work with you and I look forward to continuing to work together to protect and improve the Bullhead Lake ecosystem and watershed.

Sincerely,

A handwritten signature in cursive script that reads 'Mary Gansberg'.
