HELP STOP AIS

Join your local CBCW team

This free, fun, and educational workshop will teach CBCW volunteers, paid employees, and other interested citizens how to conduct watercraft inspections, aquatic invasive species (AIS) identification, how and where AIS are most likely to hitch a ride, AIS regulations, ways to educate and engage boaters to prevent the spread of AIS, AIS threats on our doorstep, and much more. In addition, there will be a special session at the end of the workshop for anyone who needs help entering CBCW data into the SWIMS database.

The workshop will highlight the following presentations:

- “Watercraft Inspections: What Everyone Needs to Know” presented by Stephanie Boismenu, Oneida County AIS Coordinator.
- “Hands-on AIS Identification and Impact to Habitats” presented by Sandy Wickman, Waters Resources Management Specialists, WDNR/UWEX.
- “A Conservation Wardens Perspective of AIS” presented by David Walz, Conservation Warden Supervisor, WDNR.
- “Oops...Look What the Craft Dragged In: Inspections from Start to Finish” presented by Steph Boismenu and David Walz.
- Optional: “How to Enter CBCW Data Into SWIMS” presented by Steph Boismenu.

To RSVP, call Oneida County Land & Water Conservation Department at 715-369-7835 or email Oneida County AIS Coordinator, Stephanie Boismenu, at sboismenu@co.oneida.wi.us.
