Hi Megan and Linda,

We have an opportunity to order some FREE new signs in the next couple weeks which include space for plant removal/cleaning tools. I think these tools could be included as well. These are 4 ft x 4 ft signs. See pictures attached.

Would the City of Superior be interested in placing these at any access points? I need to know how many you would like by the end of next week.

The signs again are free and will be paid for by a NOAA Sea Grant project that has some left over funding.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

Hi Dara-

No problem, thank you for getting back to me.

Yes, we will need two AIS signs. Attached is an example of a sign that we were thinking. Maybe this is what you were talking about?

Also, are you at an office near Superior? I can pick them up when they're ready.

Thank you and I hope your conference goes well!

Megan

Hello,  
apologies that I totally spaced following up on this! We have been preparing for a conference that is happening this week. I will make sure I have two AIS signs and contact you on Tuesday about how I should get them to you! Just to be sure, you want the regular AIS signs for posting at launches? Thanks, Dara \_\_\_\_\_

Hello all!

I'd like to follow-up on AIS signs for the city. Do you have 2 signs available?

Thank you,

Megan

Jeremy and Dara,

Can you assist the City in getting AIS signage in Allouez Bay? Thanks.

We are committed to service excellence.

Subject: AIS Signs for WI Point Boat Launch & Canoe Launch

Morning Matt,

Currently, I'm working on the WI Point regulation signs. I thought I'd reach out to you to see if you have any AIS signs that we could use? We are in need of two: one for the boat launch and one for the canoe launch.

If not, no problem!

Thank you,

Megan

### AQUATIC INVASIVE SPECIES

# AIS REMOVAL STATION

## BEFORE LEAVING, YOU ARE REQUIRED BY LAW TO:

- ▶ **INSPECT** boats, trailers and equipment
- ▶ **REMOVE** all attached aquatic plants, animals and mud
- ▶ **DRAIN** all water from boats, vehicles and equipment including livewells
- ▶ **NEVER MOVE** plants or live fish away from a water body\*

\*Limited exceptions apply. Visit [DNR.WV.gov](http://DNR.WV.gov) and search for "AIS LAWS".

### Optional steps include:

- ▶ Pressure wash areas indicated for at least 90 seconds to help remove invasive species that are hard to see and remove by hand
  - Use a nozzle with a spray angle no greater than 60 degrees
  - Spray from the boat to prevent spraying land
- ▶ Treat live wells with a mild bleach or salt solution
  - 1/2 cup bleach/gallon of water or 1/2 cup salt/gallon of water
  - Spray the inside of the live well and rinse before next use

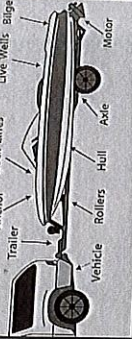

## STOP AQUATIC HITCHHIKERS!

Prevent the spread of invasive species. It's the Law!

### CHECK THESE LOCATIONS FOR INVASIVE SPECIES:

### TOOLS

- Use tools to remove vegetation
- Place vegetation in the grass
- Dispose of unwanted bait in the trash at home

These tools help protect our lakes. Please replace them when finished!

# MUD LAKE

## PUBLIC ACCESS SITE NO MOTORS ALLOWED

## OPEN 5AM - 11PM CLOSED ALL OTHER TIMES

## NO CAMPING - NO FIRES

### TOWN OF LAKE ORDINANCE

- NO PERSON SHALL OPERATE A MOTOR MANUALLY PROPULSED BOAT EQUIPPED WITH A FUEL POWERED MOTOR ON THE LAKE
- A PERSON WITH A DNR ISSUED HANDED ELECTRIC TROLLING MOTOR IS ALLOWED TO OPERATE A BOAT EQUIPPED WITH AN ELECTRIC TROLLING MOTOR
- A COPY OF THE DNR ISSUED HANDED AND THE BOAT REGISTRATION NUMBER IS TO BE DISPLAYED IN THE WINDSHIELD OF THE PARKED VEHICLE
- SLOW NO WAKE ZONE LAKE AT ALL TIMES
