Re: "20th Annual Kid's Fishing Day" Event – Saturday, June 1, 2019

Greetings Andy:

Make a difference in a kid's life and support the **20th Annual Kids Fishing Day** on June 1st at the Northern Great Lakes Visitor Center. Last year there were 537 participants, 47 sponsors, 58 volunteers, lots of displays, and many teachable moments for families. The kids learn through hands-on activity stations and are rewarded for their efforts. It was a cloudy cool day, but the fish were biting and everyone was having fun!

Its supporters and volunteers like Bayfield & Ashland LWCD that make this event so successful. We welcome LWCD staff participation again this year to teach kids about aquatic invasives and how to prevent them from spreading. If you can help again, please contact Susan Nelson at (715) 685-2644.

We hope you will join us for the 20th Annual Kids Fishing Day!
