

Aquatic Plant Management Rule Development  
 White Paper Public Meeting 3  
 November 19<sup>th</sup>, 2020  
 4-6:30 PM  
 Virtual

**Purpose**

The department will provide an overview of the policy proposals presented in White Paper Group 3: Mechanical and Manual Control, Private Ponds and Emergent Species Management. The meeting will be informational in nature with time for the public to ask clarifying questions on the proposed policies.

**Expectations**

Clarifying questions and general comments on the specific policy proposals presented by the department during this meeting may be submitted during the meeting via the chat feature of Zoom. The department will only respond to clarifying questions on the specific policy proposals. Comments will be summarized and compiled for the record. If your comments are directed at a topic not covered under this agenda, please save them for the appropriate public meeting or reach out to Madi Johansen separately.
