16 December 2021

Dear Laura MacFarland,

We currently have funds in the DNR Bayfield County AIS grant AEPP-589-19 that are unused. We will not be able to use these funds in 2021, so we are requesting a six-month grant extension. Please let me know if you have any questions or require more information.

Thank you,

A handwritten signature in dark ink, appearing to read "Ben Dufford". The signature is fluid and cursive.

Benjamin A. Dufford

Director

Bayfield County Land & Water Conservation Department
