Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-395

Name: DRUID LAKE INLAND P & R DISTRICT: Druid Lake Sensitive Area Mapping & Septic Education

Type: Lakes Grant

Subtype: Large Scale Lake Planning

Status: COMPLETE

Start Date: 5/8/1996 **End Date:** 6/30/1997

Purpose: The Druid Lake Inland Protection and Rehabilitation District proposes to 1) develop a sensitive area map of Druid Lake;

project activities include preparing a base map of the lake, conducting an aquatic macrophyte survey to determine location of aquatic plant beds, and conducting a survey of the bottom substrate of the lake to identify habitat types; 2) conduct public education on maintenance of septic systems and replacement options for failing systems; project activities include preparing a brochure on maintenance and conducting a public education day on septic systems; and 3) preparing a final report detailing the results of the project. A paper copy and an electronic copy of the final report will be provided to the Department of Natural Resources. Project results will be disseminated to the public by newsletter, fact sheet distribution, public meeting, and local

newspaper article. end.
