

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-665

Name: PHANTOM LAKE MANAGEMENT DISTRICT: Phantom/Eagle Springs Project WET

Type: Lakes Grant

Subtype: Large Scale Lake Planning

Status: COMPLETE

Start Date: 11/1/1999

End Date: 12/31/2002

Purpose: Phantom Lake Management District proposes to complete a recreational use survey on area lakes. The following items will be some of the deliverable results of this project; project WET teacher training In-Service; integration of project WET and Adopt-A-Lake in school districts. This will be a cooperative project between Upper and Lower Phantom Lakes and Eagle Springs Lake districts. The DNR will be provided with both a paper copy and an electronic copy of the final report. Information will be disseminated to the public as described in the grant application.
Expand the project description to include review and update jurisdictional boundaries to include all riparian properties. Develop and implement an ordinance for inspection and pumping of private sewage systems installed prior to 1979. PLMD will perform a private sewage system evaluation. This evaluation will consist of a field study within the identified area to visually evaluate the type, status, and use of their private sewage disposal systems. Public meeting will be conducted and educational materials will be provided during these field contacts with district residents. Results of sewage system evaluation will be used to as input to the Lake Mgt. Plan.
