

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** LPL-351

**Name:** TOWN OF MERCER: Lake Classification and Ordinance Development - Phase 1

**Type:** Lakes Grant

**Subtype:** Large Scale Lake Planning

**Status:** COMPLETE

**Start Date:** 2/13/1996

**End Date:** 6/30/1999

**Purpose:** The Town of Mercer proposes to develop a long range land use and development plan to protect and improve its lakes' water quality and ecosystems. Phase 1 project activities consist of:

1. Inventory and data gathering, including conducting a land use and environmental resource inventory of the town's lakes' watersheds, and identifying constraints to development.
2. Demographic and economic analysis
3. Existing land use and development patterns analysis.
4. Development of a lake classification system based on the ability to accommodate development and classification of all lakes in the Township.

The Sponsor will prepare a summary report including the results of the above activities. The results of the above activities will be disseminated to the public by public meeting and local newspaper article. The sponsor will provide the development of Natural Resources with a paper copy and an electronic copy of the summary report.

**Objective:****Comments:** Grantee is TOWN OF MERCER**Outcome:****Study Design:****QA Measures:**
