

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** LPL-398

**Name:** RIB LAKE INLAND LAKES P & R DISTRICT: Rib Lake Comprehensive Lake Management Planning

**Type:** Lakes Grant

**Subtype:** Large Scale Lake Planning

**Status:** COMPLETE

**Start Date:** 10/1/1996

**End Date:** 12/31/1999

**Purpose:** The Rib Lake Inland Lake Protection and Rehabilitation District proposes to continue the comprehensive lake management planning process. Phase 2 project activities include 1) evaluate the data collected during Phase 1, 2) conduct public informational meetings to gather input for lake management alternatives, 3) develop a lake management plan, and 4) produce a final report summarizing field work, analyzing lake management alternatives, and recommending a course of action. The Department of Natural Resources will be provided with a paper copy and an electronic copy of the final report. Information about the project will be disseminated to the public by public meeting, local newspaper articles, TV/radio spots, and poster displays.
