

Wisconsin Department of Natural Resources  
SWIMS Project Summary

General Project Information

**Project ID:** LPL-571

**Name:** CITY OF MONDOVI: Mirror Lake Sediment Reduction Task III

**Type:** Lakes Grant

**Subtype:** Large Scale Lake Planning

**Status:** COMPLETE

**Start Date:** 1/1/1999

**End Date:** 12/31/2001

**Purpose:** The City of Mondovi proposes to do studies needed before it can proceed with plans to dredge Mirror Lake and dispose of the sediments at a site within the city's industrial park. Project activities would include: 1) Surveys and sounding for the purpose of creating a bathymetric map to facilitate review of the proposed dredging plans, 2) sediment sampling, 3) design of sediment disposal area, 4) development of reports documenting anticipated environment impacts associated with the dredging and disposal plans, 5) preparation of applications for permits required, 6) preparation of bid specifications and contracts. The Department of Natural Resources will be provided with both a paper copy and an electronic copy of the final report. Project results will be disseminated to the public through regular meetings with city officials, and through advertisements associated with open bidding.
