

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-802-02

Name: UPPER TURTLE LAKE ASSOCIATION: Upper Turtle Lake Management Plan Project

Type: Lakes Grant

Subtype: Large Scale Lake Planning

Status: COMPLETE

Start Date: 4/1/2002

End Date: 12/31/2003

Purpose: The Upper Turtle Lake Association will conduct a comprehensive study of Upper Turtle Lake and its' watershed in Barron County. Activities involved in this study include; a watershed soil analysis and runoff sampling, a shoreline septic leachate survey, a shoreline habitat survey, a wildlife survey, lake water quality monitoring, a macrophyte survey, lake resident survey, watershed land use analysis and nutrient budget modeling, development of an information and education program, and the preparation of a comprehensive Lake Management Plan for Upper Turtle Lake.

Specific deliverables for this project include copies of the final comprehensive plan and project report including survey results, and the non-technical summary report in newsletter format.

The Department of Natural Resources will be provided with both a paper copy and an electronic copy of the final report. The project results will be disseminated to the public by newsletter(s), public meeting(s), and local newspaper articles.
