

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** RP-080-04

**Name:** NE WISCONSIN LAND TRUST: Lt Wolf Headwaters Community Conservation Initiative

**Type:** River Grant

**Subtype:** River Planning Grant

**Status:** COMPLETE

**Start Date:** 7/1/2003

**End Date:** 12/31/2004

**Purpose:** Northeast Wisconsin Land Trust (NEWLT) will oversee the Little Wolf Headwaters Community Initiative in a continued effort to protect and restore the resources within the Upper Little Wolf and South Branch of the Little Wolf Rivers in Waupaca and Portage Counties. Project goals and objectives include identify, cultivate and respond to conservation opportunities; encourage a locus of integrated resource inventory, protection, restoration, monitoring and management activities, cultivate conservation easements and other permanent protection strategies on priority riparian lands, initiate a land registry program, connect land registry participants with resource professionals, support development of a conservation buyer program. Results will be publicized through meetings of the Community Conservation Partnership, quarterly updates in NEWLT's newsletter, and through local media. A summary report will be written and copies provided to the Planning Partners, the Department of Natural Resources River Protection Program, all other major funders and those who request copies.

**Objective:**

**Comments:** Grantee is NE WISCONSIN LAND TRUST
