### General Project Information

**Project ID:** RP-079-04

**Name:** NE WISCONSIN LAND TRUST: Gilson Creek Glades Protection Project

**Type:** River Grant

**Subtype:** River Planning Grant

**Status:** COMPLETE

**Start Date:** 7/1/2003

**End Date:** 6/30/2005

**Purpose:** The Northeast Wisconsin Land Trust is proposing to develop a Community Conservation Initiative focusing on the Gilson Creek watershed located in the northeast corner of Brown County. There are two components to the project: 1) A planning component, which consists of convening planning partners and creating a site conservation plan with community input. 2) A community partnership component, which consists of outreach to landowners, community members and potential financial partners to build the private-sector base needed for protecting critical land and water resources through resource management agreement, conservation easements and preserve acquisitions. A final report will be provided both in hard copy and electronic form. See application's project proposal for further details.
