

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** LPL-261

**Name:** BEECHER LAKE ASSOCIATION: Beecher Lake Management Planning

**Type:** Lakes Grant

**Subtype:** Large Scale Lake Planning

**Status:** COMPLETE

**Start Date:** 4/3/1995

**End Date:** 12/31/1997

**Purpose:** Review resource information and existing management programs. Prepare Land use survey. Characterize water quality conditions. Identify problems and assess needs with lake association members. Complete aquatic macrophyte survey and characterize sediment conditions. Perform watershed analysis and lake modeling. Develop and evaluate alternatives for lake and watershed management. Develop a comprehensive lake and watershed management plan. Information will be disseminated to the public by public meeting, report mailing, local newspaper article, and a final report presentation.

**Objective:**
