

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-735-01

Name: SOLBERG LAKE ASSOCIATION: Solberg Lake Phase II, Aquatic Plant Management Plan

Type: Lakes Grant

Subtype: Large Scale Lake Planning

Status: COMPLETE

Start Date: 10/1/2000

End Date: 6/30/2002

Purpose: The Solberg Lake Association will conduct a two phase aquatic plant management project. This grant will fund phase II of the project. Phase II will include the development of a aquatic plant management plan which will include a definition of the problem, goals, explanation of plant ecology, various management techniques, and methods to evaluate progress.

The document will include documentation of the phase I aquatic plant survey results including both a tabular and graphic presentation. Aquatic plant management options will be discussed and a recommendation for plant management will be presented.

Specific deliverables for this grant project include:
a final report including maps and tables

The Department of Natural Resources will be provided with both a paper copy and an electronic copy of the final report. The project results will be disseminated to the public by newsletter(s), public meeting(s), and local newspaper articles.

Objective:

Comments: Grantee is SOLBERG LAKE ASSOCIATION
