

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-846-03

Name: LONG LAKE DISTRICT: Long Lake Comprehensive Study Ph 2

Type: Lakes Grant

Subtype: Large Scale Lake Planning

Status: COMPLETE

Start Date: 10/1/2002

End Date: 6/30/2004

Purpose: Long Lake District proposes to implement Phase 2 of a study that will culminate in the development of a long-term comprehensive lake management plan for Long Lake. Phase 2 will consist of in-lake water testing, groundwater testing, septic system testing, water table investigations, and the development of a lake management plan. Sample results from both Phase 1 and 2 will be used to develop the comprehensive lake management plan. The Department of Natural Resources will be provided with both a paper copy and electronic copy of the final plan.

Amendment #1: The Long Lake District proposes to include a county-wide educational outreach task to develop and distribute informational packets to new lake residents concerning lake stewardship. Their final report will include an example of this informational packet and a summary of this outreach effort's activities and outcomes.

Objective:

Comments: Grantee is LONG LAKE DISTRICT

Outcome:
