

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-078-04

Name: COLUMBIA COUNTY: Farming Conservation Together in the Lwr Baraboo Rvr Area

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2003

End Date: 12/31/2004

Purpose: The Columbia County Land and Water Conservation Department together with the Farming and Conservation Together (FACT) committee will continue to work with landowners on an individual basis to implement conservation practices and restore wetlands while maintaining compatible agricultural operations. They will expand and coordinate voluntary programs for landowners, provide conservation agricultural practice demonstration sites and habitat restoration sites, work with landowners to control and abate wildlife damage, and protect private property rights of landowners by maintaining voluntary involvement in programs. A full description of the project scope and deliverables is available in the grant application which is part of this agreement. The LWCD will disseminate information to the public as described in the grant application.

The DNR will be provided with both a paper copy and an electronic copy of the final report.

Objective: A full description of the project scope and deliverables is available in the grant application which is part of this agreement. The LWCD will disseminate information to the public as described in the grant application. The DNR will be provided with both a paper copy and an electronic copy of the final report.

Comments: Grantee is COLUMBIA COUNTY
