General Project Information

Project ID: RP-066-03

Name: YWCA OF RACINE: Root-Pike Watershed Initiative Network

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2002

End Date: 12/31/2003

Purpose: The planning grant is to increase organizational capacity and improve their products and services. The mission is to protect,

restore, and sustain the ecosystem in the watershed through funding and facilitation of a regional network of locally initiated projects. The river grant money will be used to market and develop long-term financial independence. Futrue funds will be

used to supply grant money to other organizations for watershed improvements projects.

The DNR will be provided with both a paper copy and an electronic copy of the final report. Information will be disseminated

to the public as described in the grant application.

Objective:

Comments: Grantee is YWCA OF RACINE
