

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: RP-088-04

Name: FRIENDS OF THE BRANCH RIVER, INC.: Branch River Strategic Plan Phase 2

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2003

End Date: 6/30/2005

Purpose: The Friends of the Branch River proposes to develop a strategic plan for the Friends of the Branch River river enhancement project. The project will take place in two phases. This is phase 2 and will include conducting water quality monitoring during baseflow and event conditions, holding facilitated strategic planning workshops, training volunteer river monitors, analyzing monitoring results from both phases, and presenting the conclusions to the public through informational meetings and newspaper articles. The strategic plan and power point presentation will be submitted to the Department of Natural Resources after completion of phase 2 of the project.

The DNR will be provided with both a paper copy and an electronic copy of the final report. Information will be disseminated to the public as described in the grant application.
