

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-1002-05

Name: TWIN LAKES PRESERVATION ASSOCIATION: Developing a Management Plan for Twin Lakes

Type: Lakes Grant

Subtype: Large Scale Lake Planning

Status: COMPLETE

Start Date: 4/1/2005

End Date: 12/31/2006

Purpose: The Twin Lakes Preservation Association, Inc. will conduct a Lake Management Plan Development Project for the Twin Lakes in Washburn County. Previous grant projects were conducted on these three connected lakes to collect the water quality and other data necessary to proceed with the development of a comprehensive lake management plan. Activities involved in this phase 3 project include; review of all existing lake data, conduct of public meetings to collect additional lake use data and user input, conduct a lake user survey, evaluate available information and develop draft lake management recommendations, conduct an additional public meeting to review recommendations, and then develop a final lake management plan.

The specific deliverable for this project will consist of a copy of the final "Lake Preservation Plan for Twin Lakes."

The Department of Natural Resources will be provided with both a paper copy and an electronic copy of the final report. The project results will be disseminated to the public by newsletter(s), public meeting(s), and local newspaper articles.
