General Project Information

Project ID: RP-085-04

Name: ELLWOOD H MAY ENVIR PARK TRUST, SHEBOYGAN CO: Testing the Waters Educational Project-Pigeon River

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2003

End Date: 12/31/2007

Purpose: This grant is for the "Testing the Waters" program that is coordinated by the Sheboygan School District. The purpose of the project is to involve high school students in collection and analyzing water quality data from several stream locations within the Sheboygan River Basin. Students and teachers learn important lessons about river ecology and impacts of pollution as part of this project. The goal of this organization is to assist the "Testing the Waters" Program and as a result enhance the membership and organizational effectiveness of their River Management Organization.

Teachers and students will interpret and report water quality data at an annual public forum. The grant will help fund the program for three years. A final report will be submitted to the WDNR at the end of the project period. This will be provided in both a paper copy and an electronic format. Information will be disseminated to the public as described in the grant application.
