

Wisconsin Department of Natural Resources SWIMS Project Summary

General Project Information

Project ID: LPL-248

Name: WHITEWATER-RICE LAKE MANAGEMENT DISTRICT: Whitewater Lake Management Planning

Type: Lakes Grant

Subtype: Large Scale Lake Planning

Status: COMPLETE

Start Date: 10/18/1994

End Date: 12/31/1997

Purpose: Consolidate data gathered by the DNR, U.S.G.S. and others to identify potential point and nonpoint sources, quantify inputs and evaluate the water budget of the system. Quantify the extent of any existing water quantity and quality problems. Assess the demand for, and types of, water-based recreation on and around the lakes, their impacts on the lakes and the degree to which they are met. Identify specific planning and management needs. Formulate appropriate holistic plans to protect and manage the lakes. The grantee will disseminate information to the public by newsletter, public meetings, summary report mailings, local newspaper articles, and a comprehensive management plan. Project results will be reposted at Whitewater Library, Walworth County, and the Towns of Whitewater and Richmond.

Objective:

Comments: Grantee is WHITEWATER-RICE LAKE MANAGEMENT DISTRICT

Wisconsin Department of Natural Resources SWIMS Project Summary

Title	Description	Author	Published	Comments
A Lake Management Plan for Whitewater and Rice Lakes, Walworth County, Wisconsin	Over approximately seven years, the U.S. Geological Survey and the Southeastern Wisconsin Regional Planning Commission, at the request of the Whitewater-Rice Lakes Management District, have been conducting lake management-related data collection and analysis efforts. These efforts have now been integrated into a lake management plan for Whitewater and Rice Lakes, which plan addresses the water quality, recreational use, and natural resource problems of the Lakes. The preparation of the plan was a cooperative effort by the Whitewater-Rice Lakes Management District, the U.S. Geological Survey, the Wisconsin Department of Natural Resources, and the Southeastern Wisconsin Regional Planning Commission	SEWRPC	2/28/1997
