General Project Information

Project ID: RP-137-07

Name: OZAUKEE WASHINGTON LAND TRUST: Communication, Outreach Planning & Development

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2006

End Date: 6/30/2007

Purpose: The planning grant is to increase organizational capacity and improve their products and services. The mission is to protect, restore, and sustain the ecosystem in the watershed through funding and facilitation of a regional network of locally initiated projects. The river grant money will be used to market and develop long-term financial independence. Future funds will be used to supply grant money to other organizations for watershed improvements projects.

The DNR will be provided with two paper copies and an electronic copy of the final report. Information will be disseminated to the public as described in the grant application.
