

## Wisconsin Department of Natural Resources SWIMS Project Summary

### General Project Information

**Project ID:** RP29517

**Name:** LAKESHORE NATURAL RESOURCES PARTNERSHIP INC.: Implementing the Lower Manitowoc River Action Plan

**Type:** River Grant

**Subtype:** River Planning Grant

**Status:** COMPLETE

**Start Date:** 2/15/2017

**End Date:** 12/31/2018

**Purpose:** Lakeshore Natural Resources Partnership (LNRP) is sponsoring a project to support Friends of the Manitowoc River Watershed as the group continues to build appreciation for and stewardship for the Manitowoc River.

Project final deliverables include: all data collected, agendas and minutes for planning meetings, presentations, newsletters and educational materials provided to the public.

Specific project activities include: 1) Providing care for Lower Schutte Park including monthly State of the Park reports and installation of Porta-potties; 2) Hold a Manitowoc River Clean-up event; 3) Conducting a Project RED event on the Manitowoc River; 4) Hosting a Subfest River Paddle educational event; 5) Mapping invasive species in the Manitowoc and Little Manitowoc Rivers utilizing the AIS bridge Snapshot day protocols; 6) Hosting educational seminars; 7) Hosting Lake Michigan Beach clean-up events; 8) Hosting Watershed Ambassador Camp.

This scope summarizes the project detail provided in the application and does not negate tasks/deliverables described therein. Data, records, and reports, including GIS-based maps, and digital images, must be submitted to the Department in a format specified by the regional Rivers Biologist

If consultant is to provide final report, it is recommended that Grantee provide DNR Rivers Coordinator with a draft for comment on report adequacy prior to making final payment to the consultant. DNR to receive both paper and electronic .pdf copies of the final report along with, or prior to submission of grantee's final payment request.

**Objective:**

**Comments:** Grantee is LAKESHORE NATURAL RESOURCES PARTNERSHIP INC.

**Outcome:**

**Study Design:**

| Lower Schuette Park Update  | In the winter of 2013, the Friends of the Manitowoc River Watershed (FMRW) adopted Lower Schuette Park in Manitowoc. The park is situated on 65 acres of land along the scenic Manitowoc River. Since the adoption, FMRW has worked hard to bring people back to this park, and continues to maintain, improve, and plan for future work in the park. This report is to update you as to the current state of the park. | Friends of the Manitowoc River Watershed | 1/1/2017         |                 |
| Manitowoc River Clean-Up Flyer  | Flyer advertising the Manitowoc River clean up event as part of RP29517.  | Friends of the Manitowoc River Watershed | 7/15/2017        |                 |
| Manitowoc River Paddle Flyer  | Flyer for the Manitowoc River paddle event as part of RP29517.  | Friends of the Manitowoc River Watershed | 7/9/2017         |                 |
| Restore the Shore Training for Watershed Partners Agenda  | Agenda as part of a training for invasive species for watershed partners. Partners will participate in a workshops designed to build capacity for long-term monitoring of invasive species that will build adaptive management plans by watershed.  | Lakeshore Natural Resource Partnership   | 1/1/2018         |                 |
| River Planning Grant RP29517 Final Report   | Lists the project deliverables and activities as completed in their River Planning grant.   | Friends of the Manitowoc River Watershed | 5/23/2019        |                 |
