

Wisconsin Department of Natural Resources
SWIMS Project Summary

General Project Information

Project ID:

LPL-1162-07

Name:

TOWN OF UNDERHILL: Berry Lake Biological Inventory Project

Type:

Lakes Grant

Subtype:

Large Scale Lake Planning

Status:

COMPLETE

Start Date:

4/1/2007

End Date:

6/30/2009

Purpose:

The Town of Underhill proposes to conduct a Phase 1 Berry Lake appraisal and develop lake objectives. This project will include a community survey to determine perspectives, problems, needs, and population dynamics; fish survey to appraise the existing condition of the fishery; bioinventory of watershed areas especially sensitive or critical habitat areas; water quality appraisal to establish trophic condition of the lake; and objectives relative to the above appraisals will be developed and adopted via community process. Reports will be written summarizing the findings of the appraisals and community adopted objectives based on the findings for eventual inclusion into a comprehensive management plan. This scope is intended to summarize the more specific scope, as provided in the grant application and does not supersede the specific scope elements described with in the application.

Objective:

Comments:

Grantee is TOWN OF UNDERHILL
