

Wisconsin Department of Natural Resources
SWIMS Project Summary

General Project Information

Project ID: RP-149-08

Name: GLACIERLAND RC&D, INC.: Sheboygan River AOC Coordinator

Type: River Grant

Subtype: River Planning Grant

Status: COMPLETE

Start Date: 7/1/2007

End Date: 12/31/2008

Purpose: Fund a project coordinator position to support the Sheboygan River AOC citizens' advisory committee and the Willow Creek protection committee. This position will 1) provide communication progress of partners to project partners.2) Coordinate and engage stakeholders. 3) Update the strategic plans for each project. 4) Develop active timelines for implementation, involve public in tasks pertaining to the strategic plan. 5) Encourage municipalities to initiate discussion of comprehensive stormwater and stream improvement projects. 6) Solicit media coverage to enhance public understanding

We interpret the ranking questions very literally. In rare cases, an equivalent effort is considered; it should be clarified by the justification/explanation given with the ranking point and equivalent effort must be approved by Department staff. When the grant is complete, the Department will look for every single deliverable, even minor ones, and if they are not adequately addressed, only partial reimbursement (at the department's discretion) will be made to the applicant.

A full description of the project scope and deliverables is available in the grant application, which is part of this agreement. The DNR will be provided with two paper copies and an electronic copy of the final report which entails all the items in the project description. Information will be disseminated to the public as described in the grant application.

Objective:

Comments: Grantee is GLACIERLAND RC&D, INC.
